

The Hilo Tribune.

FRIDAY, - JAN. 31, 1902.

Entered at the Postoffice at Hilo, Hawaii, as second-class matter

PUBLISHED EVERY FRIDAY.
L. W. HAWORTH - Editor.

LET us hope the slump in sugar is only temporary.

THE Herald says it is better to let the matter of the committee business rest. That's what everybody is doing except the Herald.

"SIDE LIGHTS," published by C. L. Clement, is out for February. The character of the live little libel of lateral luminosity improves with each issue.

AMONG the Hilo men interested in yachting, the suggestion that a regatta be held at Hilo, is well received. The subject should not be allowed to drop.

JUDGE ESTEE in coming to Hilo to hold Federal Court gets a taste of the same medicine that comes to Hilo citizens who are summoned to Honolulu to serve on the Federal Jury. He pays his own expenses.

LIPTON has placed the order for Shamrock No. 3. The yacht will be built in Scotch waters and will, it is said, combine the good qualities of Shamrocks one and two, now of pleasant memory.

THE visit of Prince Henry of Germany to the United States, should be welcomed by Americans as an evidence of the good will of the German Emperor. Brother Cogan should be sent to Boston while the Prince is in New York.

THE ovation accorded Judge Little last Saturday night by the members of the Burns Club, was a distinct indication of popular feeling on a subject well to the front in the minds of the people of Hawaii. Judge Little was applauded as the spokesman in honor of the President. He was applauded more vigorously as the heir apparent to the first office in the Territory. Wherever Judge Little appears, people instinctively call him Governor.

THE Honolulu Republican suspended publication last Saturday after having fought a good fight since annexation day, nearly two years before. The Sunday edition of the Republican was one of that journal's most popular features. The vacancy left by its suspension will be filled by the Bulletin which appeared last Sunday for the first time as a Sunday paper. The Sunday edition of the Bulletin will be managed by Mr. Buckland, late editor of the Republican.

SLUMP IN SUGAR.

New York, Jan. 16.—Sugar—Raw, nominal, weak. Fair Refining, 27c. Centrifugal, 96 test, 37c. Molasses Sugar, 25c. Refined was dull.

New York, January 14.—All grades of Refined sugar were reduced today by the American Sugar Refining Company and the independent refiners. Grades Nos. 6 to 11, inclusive, were cut five points, and the rest of the list ten points.

London, January 15.—The Daily Mail says that at the Cabinet council held Monday it was determined that steps should be taken to prevent the ruin of the West Indies. "We understand this to mean," says the Daily Mail, that the British delegates will be able to announce at the Brussels conference that unless sugar bounties are abolished Great Britain will prepare to impose a countervailing duty on bounty-produced sugar.

San Francisco, Jan. 16.—The merry war which was inaugurated among the wholesale jobbing grocers of the city with the opening of the new year's business, by offering the various varieties of sugar at actual cost price has developed into a bitter struggle to control trade, and its effects are being felt in several of the coast markets.

LITTLE'S SERENADE.

Hilo Band Discourses Music Beneath the Court House Lanai.

Last evening the Court House yard was the scene of life and gaiety. The occasion was a serenade tendered Judge Little by the Hilo Band. Judge Estee was present and the two gray haired jurists enjoyed the musical compliment equally. By way of retaliation for the treat, Judge Little placed a guard over the band boys who did not let them escape until they were properly refreshed.

The program included Prof. Carvalho's latest composition, a lively two step, which he has dedicated to the Judge. The program entire was as follows:

PART I.
Judge Little's Two Step.....Carvalho
Schottische—"Beauty Bright".....S. Hosfeld
Medley—National Hymns.....Arr. Carvalho

PART II.
March—"Company D".....Carvalho
Polka—"Hornpipe".....Arr. by Smith

Anti-Trust Governor.

A. B. Cummins, the new Governor of Iowa has gone strongly on record against the trusts. He says: "Every corporation should be required to have its capital stock paid for at par, in money, before it is authorized to transact business. The evil of overcapitalization furnishes an illegitimate motive for excessive prices."

Speaking of a remedy, he said: "I believe the question is a national one and that the time has come to nationalize it. I recognize the difficulty of amending the Constitution of the United States; but I know that whenever the people are sufficiently in earnest it can and will be done. Before corporations which are to do business throughout the country and in which the people of one state are quite as much interested as the people of another are permitted to organize, they should be compelled to show that their capital stock has been paid for in money and that the real value of the property they acquire is as great as the stock which represents it."

He also spoke briefly on the tariff and reciprocity, discussed the relations of labor and capital, which he thought must ultimately be treated by the National Congress under powers conferred by a new constitutional amendment.
